The heart of our work
CI, brand design,
creative communication concepts
and web design

We also love & breath adv,
editorial design, typography,
branding, digital design, photography,
color design and such more

Riem Identity SA is a creative and innovative communication agency in Lugano.

Constantly aim to original solutions and, thanks to our know-how and extensive experience, we are able to design and plan customized and high-quality projects for every needs and objectives.

Love listening to our clients and their needs, dreams, hopes. We give our souls in capturing the unspoken and, through our design skills, translate it in something unpredictable and unique made by images, words, colors – emotions.
